

A red-tinted photograph of a street scene. In the foreground, a paved road with a white diagonal line runs from the bottom left towards the center. In the background, there are several large, leafy trees lining the street. Behind the trees, a row of parked cars is visible. The overall image has a grainy, vintage quality.

## FOREWORD

We, the members of the 1953-1954 LION staff, happily give to you your year-book which presents to you the drama of life on our campus. We hope that in the future it will help you recall the many experiences that have been yours and we trust that it will cause each one of you to know that you have had a special part in making the curricular and co-curricular activities of our junior college successful.

# VIEWS OF GILBERT HALL

## DEDICATION

---

---

---

To Dr. Cruce Stark, our president for the past eight and a half years, who has shown personal interest in each of us, and to Mrs. Stark, our yearbook sponsor whom we all love dearly and who has long deserved this honor, we gladly dedicate this 1953-1954 Lion.

*We're still thinking of you, Mr. Jones!*

J. C. Jones has been missed this year on the E.M.J.C. campus. After teaching mathematics here for twenty-one years he retired May 22, 1953.

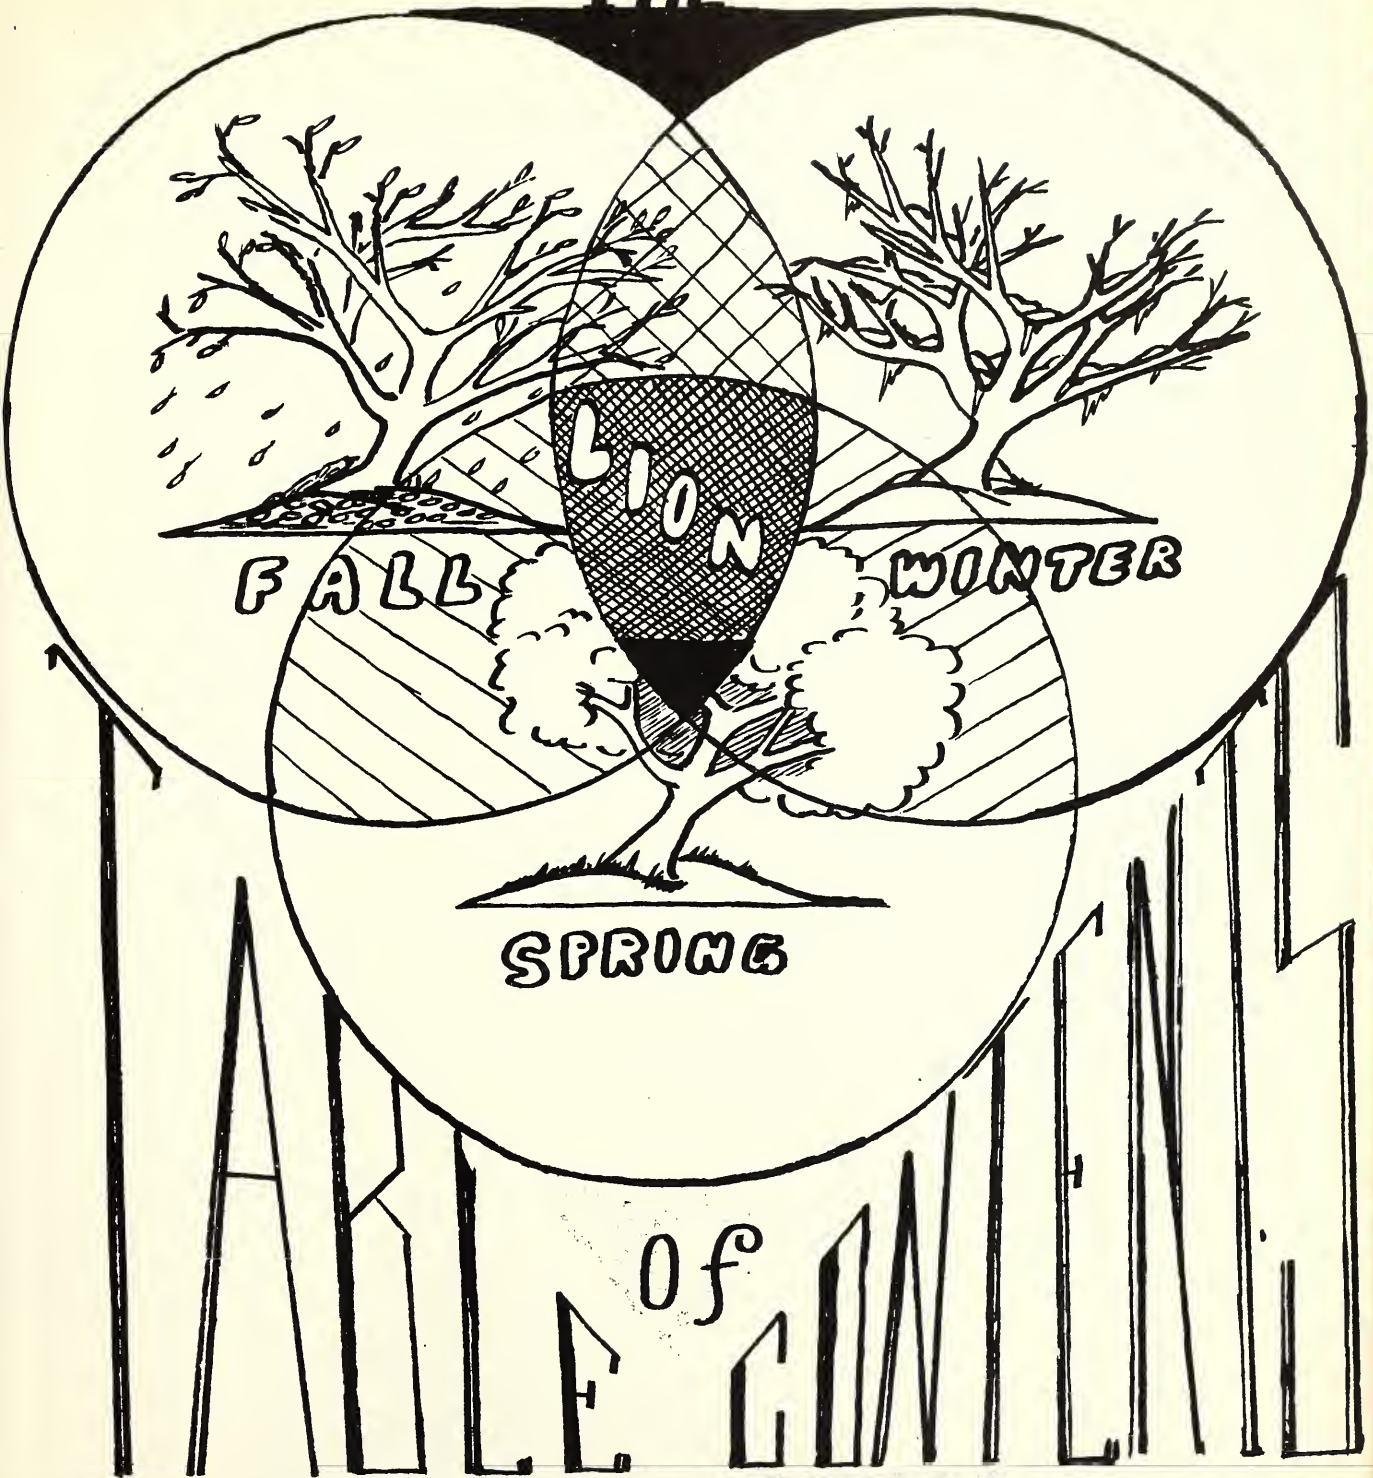

"Prof," or "Dad" Jones as he is known to most all of his students, was born in Tuttle, Kentucky, Laurel County.

"Prof" Jones began his teaching career in Kentucky, where he taught for four years. In 1913 he came to Mississippi and taught for 36 years. He first taught in Mississippi at Rexford, then at Touchstone, Magee, Braxton, Harrisville, Salem Consolidated High School, and then came to E.M.J.C. as head of the mathematics department.

Since Prof. Jones' retirement he has been devoting much time to his hobbies, which are gardening and growing flowers. His pride and joy is his flower and vegetable garden where he now spends all of his spare time. Although he is enjoying his retirement, "Prof" Jones says he misses going to school every day, being in the classroom, and meeting the students in the halls and chatting with them.

The Southernettes have appeared with the Revelairs and Homeland Quartet on three occasions, the Blackwood and Statesman Quartets, and the Rainbow Quartet. They have appeared on Mike O'Reilly's Talent Show over television in Jackson twice, and are to appear over Meridian on WTOK-TV soon.

The Southernettes have appeared in the different churches in the surrounding area on several occasions. They have entertained the students here at EMJC several times during assembly, Vesper services and other occasions. And have made a big hit with everyone.
